

IMPORTANT - THIS COMMUNICATION AFFECTS YOUR LAND

HARBOROUGH DISTRICT COUNCIL

**TOWN AND COUNTRY PLANNING ACT 1990
(As amended by the PLANNING AND COMPENSATION ACT 1991)**

**ENFORCEMENT NOTICE – OPERATIONAL DEVELOPMENT WITHOUT
PLANNING PERMISSION**

ISSUED BY: HARBOROUGH DISTRICT COUNCIL

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to them that there has been a breach of planning control, under section 172 of the above Act, at the property described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.
2. **THE LAND TO WHICH THE NOTICE RELATES:**

Land Adj to Main Road, Claybrooke Magna, Leicestershire (“The Land”), shown edged red on the attached plan (“The Plan”).
3. **THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL**

Without planning permission:
 - a. The creation of a vehicular access from the Land onto a classified road (Main Road - B577) in the approximate position marked by a red arrow on the Plan
 - b. The associated removal of vegetation and engineering works, conducted in order to create the vehicular access including the new gravel hard surface laid for the access track, shown hatched blue on the Plan

4. REASONS FOR ISSUING THE NOTICE

The above breach of planning control has occurred within the last four years.

The unauthorised vehicular access and egress from, or to, the classified road (Main Road); is detrimental to highway safety and therefore in conflict with paragraph 110 and 111 of the NPPF (2021) and policies GD8 and IN2 of the Harborough Local Plan 2011 to 2031

The Council does not consider that planning permission should be given, because planning conditions could not overcome these objections to the development.

5. WHAT YOU ARE REQUIRED TO DO

- a. Cease the use of the Land for the purposes of vehicular access and egress from, or to, the classified road (Main Road – B577);
- b. Permanently prevent vehicular access across the Land by erecting a fence or wall of a similar height (or lower) to the fence/gate that was in situ immediately prior to the unauthorised works that were undertaken to create the access to the classified road (Main Road – B577).
- c. Break up the gravelled area in the approximate position hatched blue on the Plan, and remove the resulting debris from the Land, returning the Land to its profile prior to the unauthorised works taking place, as shown in figure 2 attached to this notice.

6 TIME FOR COMPLIANCE

The time for compliance with 5a. and 5b. requirements is 1 (one) month, with 5c. 6 (six) months.

7. WHEN THIS NOTICE TAKES EFFECT

This Notice takes effect on the **4 January 2022** unless an appeal is made against it beforehand.

Dated: 15 November 2021

Signed: *David C. Atkinson*

STATEMENT OF APPEAL

If you appeal against this notice, and have not already done so, you will be required by the Planning Inspectorate to submit a statement in writing within 14 days –

- (i) specifying the grounds on which you are appealing against the notice; and
- (ii) setting out briefly the facts on which you propose to rely in support of each of those grounds

WHAT HAPPENS IF YOU DO NOT APPEAL

If you do not appeal against this enforcement notice, it will take effect on the date specified in paragraph 7 of the notice and you must then ensure that the required steps for complying with it, for which you may be held responsible, are taken within the period[s] specified in paragraph 6 of the notice. Failure to comply with an enforcement notice which has taken effect can result in prosecution and/or remedial action by the Council.

CHARGES PAYABLE FOR DEEMED PLANNING APPLICATIONS

A charge is normally payable, under the Town and Country Planning (Fees for Applications and Deemed Applications) Regulations, by every person who appeals against an enforcement notice under ground (a):-

that, in respect of any breach of planning control which may be constituted by the matters stated in the notice, planning permission ought to be granted or, as the case may be, the condition or limitation concerned ought to be discharged

The ground of appeal lapses if the deemed application fee is not paid when required. The charge is payable to the local planning authority. The charge in this case will be **£468** payable to the Harborough District Council, Symington Building, Adam and Eve Street, Market Harborough, Leicestershire, LE16 7AG. Payment can be made by phone: 01858 821008, quoting reference **21/00434/DEVS**

If you only put ground (a) forward and you do not pay the fee, your appeal will lapse. This means that your appeal will end.

Further information about fees is given in the "The Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012 (as amended)"

EXEMPTIONS FROM CHARGE AND CONCESSIONS

When several people appeal against the same enforcement notice, each will be required to pay the appropriate fee. Only one person (paying one fee) need appeal against a particular notice to trigger the appeal process, and to suspend the effect of all the Notices whilst the appeal is processed. However, if only one appeal is made, and is subsequently withdrawn, the enforcement notice takes effect immediately.

RETROSPECTIVE PLANNING APPLICATION

If you make a retrospective planning application after the LPA issued the enforcement notice, the LPA may decline to determine your application under section 70C of the Act (as amended). You cannot appeal against an LPA's decision to decline to determine your planning application. Therefore if the LPA does decline any retrospective application the only way you could ask for the planning merits of the alleged development to be considered is to appeal on ground (a) on your enforcement appeal and pay the fee.

However if you (or anyone else) had already made a retrospective planning application for the same development to the LPA and it issued the enforcement notice before the time to decide the application had expired, no-one can appeal against the enforcement notice on ground (a). The applicant for planning permission can, in these circumstances, make a planning appeal if the LPA refuse or fail to determine the planning application. This is specified at section 174 (2A) (b) of the Act (as amended).

- a) specifying the grounds on which he is appealing against the enforcement notice; and
 - b) giving such further information as may be prescribed.
- (5) If, where more than one ground is specified in that statement, the appellant does not give information required under subsection (4) b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) In this section “relevant occupier” means a person who –

 - b) specify the matters to be included in such a statement;
 - c) require the authority of the appellant to give such notice of such an appeal as may be prescribed;
 - d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.
- (2) The notice to be prescribed under subsection (1) c) shall be such notice as in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the land to which the enforcement notice relates is situated.
- (3) Subject to section 176(4), the Secretary of State shall, if either the appellant or the local planning authority so desire, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.
- (4) Where an appeal is brought under section 174 the enforcement notice shall, subject to any order under s.289 (4A) be of no effect pending the final determination or the withdrawal of the appeal.
- (5) Where any person has appealed to the Secretary of State against an enforcement notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.
- (6) Schedule 6 applies to appeals under section 174, including appeals under that section as applied by regulations under any other provisions of this Act.

- (1) On an appeal under section 174 the Secretary of State may –
 - a) correct any defect, error or misdescription in the enforcement notice; or
 - b) vary the terms of the enforcement notice, if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority.
- (2) Where the Secretary of State determines to allow the appeal, he may quash the notice.

(2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.

(3) The Secretary of State –

- b) may allow an appeal and quash the enforcement notice if the local planning authority fail to comply with any requirement of regulations made by virtue of paragraph a), b), or d) of section 175(1) within the prescribed period.

(4) If the Secretary of State proposes to dismiss an appeal under paragraph a) of subsection (3) or to allow an appeal and quash the enforcement notice under paragraph b) of that subsection, he need not comply with section 175(3).

(5) Where it would otherwise be a ground for determining an appeal under section 174 in favor of the appellant that a person required to be served with a copy of the enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

177 Grant or modification of planning permission on appeals against enforcement notices

(1) On the determination of an appeal under section 174, the Secretary of State may –

- a) grant planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control, whether in relation to the whole or any part of those matters or in relation to the whole or any part of the land to which the notice relates;
- b) discharge any condition or limitation subject to which planning permission was granted;
- c) determine whether, on the date on which the appeal was made, any existing use of the land was lawful, any operations which had been carried out in, on, over or under the land were lawful or any matter constituting a failure to comply with any condition or limitation subject to which planning permission was granted was lawful and, if so, issue a certificate under section 191.

(1A) The provisions of sections 191 to 194 mentioned in subsection (1B) shall apply for the purposes of subsection (1) c) as they apply for the purposes of section 191, but as if –

- a) any reference to an application for a certificate were a reference to the appeal and any reference to the date of such an application were a reference to the date on which the appeal is made; and
- b) references to the local planning authority were references to the Secretary of State.

(1B) Those provisions are: Sections 191(5) to (7), 193(4) (so far as it relates to the form of the certificate), (6) and (7) and 194.

(2) In considering whether to grant planning permission under subsection (1), the Secretary of State shall have regard to the provision of the development plan, so far as material to the subject matter of the enforcement notice, and to any other material considerations.

(3) The planning permission that may be granted under subsection (1) is any planning permission that might be granted on an application under Part III.

(4) Where under subsection (1) the Secretary of State discharges a condition or limitation, he may substitute another condition or limitation for it, whether more or less onerous.

(5) Where an appeal against an enforcement notice is brought under section 174, the appellant shall be deemed to have made an application for planning permission in respect of the matters stated in the enforcement notice as constituting a breach of planning control.

(5A) Where –

- a) the statement under subsection (4) of section 174 specifies the ground mentioned in subsection (2) a) of that section;
- b) any fee is payable under regulations made by virtue of section 303 in respect of the application deemed to be made by virtue of the appeal; and
- c) the Secretary of State gives notice in writing to the appellant specifying the period within which the fee must be paid,

then, if the fee is not paid within that period, the appeal, so far as brought on that ground, and the application shall lapse at the end of that period.

(6) Any planning permission granted under subsection (1) on an appeal shall be treated as granted on the application deemed to have been made by the appellant.

(7) In relation to a grant of planning permission or a determination under subsection (1) the Secretary of State's decision shall be final.

(8) For the purposes of Section 69 the Secretary of State's decision shall be treated as having been given by him in dealing with an application for planning permission made to the local planning authority.
